Pursuant to the Confidentiality Agreements, the Company agreed to disclose publicly, after the expiration

of a period set forth in the Confidentiality Agreements, certain information (the “Confidential Information”) regarding, or shared in connection with, the discussions and/or negotiations that have taken place between the Company and each Noteholder concerning a Potential Transaction. The information included in this press release and certain documents posted on the Company’s website referenced herein are being furnished to satisfy the Company’s public disclosure obligations under the Confidentiality Agreements. The Confidentiality Agreements have terminated in accordance with their terms, except as otherwise provided therein.

#### Discussions with the Noteholders

Beginning on August 31, 2017 and continuing on multiple dates throughout September and October 2017, representatives of the Company and the Company’s financial and legal advisors (the “Company Representatives”) met (such meetings, the “Meetings”) in New York and Rio de Janeiro with representatives of each Noteholder and each Noteholder’s respective financial and legal advisors (the “Noteholder Representatives”) to discuss the terms of a Potential Transaction. As of the date hereof, although no agreement concerning the terms of a Potential Transaction has been reached, discussions and negotiations between the Company and each Noteholder regarding the execution of plan support agreements and equity commitment agreements have reached an advanced stage. Notwithstanding the foregoing, while negotiations between the Company and each Noteholder may continue in the future, there can be no assurance that negotiations will continue or if they do continue, that they will result in an agreement regarding the terms of a Potential Transaction.
